

RENOVATION POLICY + APPLICATION FORM

Owners are required to complete this form and await approval prior to commencing your desired renovation.
Submit to the Property Manager via email at redhaus@simcomgt.com.

The following policy was passed by the Board of Directors as of November 26, 2016.

In accordance with bylaws, prior to undertaking any renovations, owners are first required to seek Board approval. An application for construction will be required for submission.

The By-laws are very clear in regard to the Powers of the Corporation and the Duties and Responsibilities of the owners when it comes the construction/renovation of the units. Please review the following sections of the Bylaws for CCN # 0514332.

Article 2 – Owners’ Duties and Obligations

2.1 (c –(v)(vi)(xi)) – Specific Obligations

Article 3 – The Corporation

1. 3.3 (h), (m) – Powers of the Corporation
2. 3.4 (a)(i)(ii) – Additional Power of Corporation

The following rules and regulations are in place for the renovation/construction in the units:

- Work can only be carried out between the hours of 8:00am and 6:00pm – Monday – Saturday. Work on statutory holidays is NOT permitted.
- All construction garbage is to be removed from the site daily. The building disposal containers must not be used.
- The elevator must be booked through the site manager for the transportation of the materials to the unit.
- No construction materials or equipment may be stored in the common areas.
- Any damage to common property or other suites will be repaired by the Corporation at the Owner’s cost.
- Contractors must carry their own insurance. It is the owner’s responsibility to ensure that their contractor of choice is insured.
- Any breach of the rules and regulations or failure to submit the application for approval will be subject to a fine in the amount of \$500.00.

Underlay and carpet with sound attenuation at or above 65 for Field Impact Insulation Class (FIIC) or 72 for Impact Insulation Class (IIC) ratings for hard surface floors is required.

****NOTE: Specifications and proof of purchase for the materials being used must be provided with the application before approval will be given.**
